Prima Vista

Prima Vista is majestically placed at the highest crossing of the Alto Vista neighborhood. A mixture of stone, stucco, cedar and tile are reminiscent of Spanish Revival architecture that has influenced Las Colinas. The two story Entry provides views from the balcony with cedar beams that rise from the Family Room. The open arches in the second floor Game Room allow interaction to the space below. First floor Master Suite, Large Utility, Three Car Garage, Circular drive way, Five Bedrooms, Four Baths. 3349 square feet.
